### 3.14 Download Decision Letter and Verify QR Code

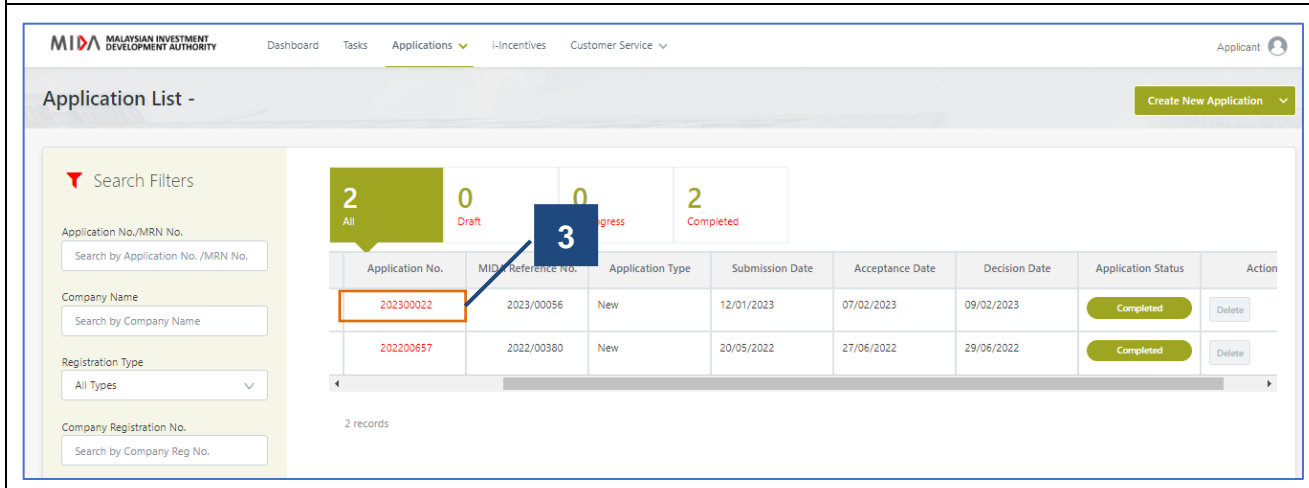

---

## 3.14.1 View Successful Application

Upon receiving email notification when application is successful, user shall be able to view the Decision Letter in the application form.

1. To view the application, click on the **[Applications]** menu. The system will display all online modules in the dropdown menu.
2. Click on the module link that user wish to open

- Once the **Application List** for the selected module is displayed, click on the **[Application No]** link that user wish to view.

The screenshot displays the application details for 'TESTING SDN BHD'. The header section includes the following information:

- Company Name:** TESTING SDN BHD
- Application No.:** 202300413
- MIDA Reference No.:** 2023/00002
- Application Type:** New
- Division:** Chemical & Advanced Materials
- Acceptance Date:** 31/07/2023

On the right side of the header, there are four buttons: 'Application Form', 'Acknowledgement Letter', 'Decision Letter', and a circular arrow icon. Below the header, a 'Progress (1 / 11)' section shows three steps: 'A Company' (selected), 'B Previous Company Activity/Project', and 'C Application Information'. The main content area is titled 'Company Profile' and shows the 'Company Name' as 'TESTING SDN BHD'. A 'Comment' link is visible on the right.

- System will display the selected application form

### 3.14.2 Download Decision Letter

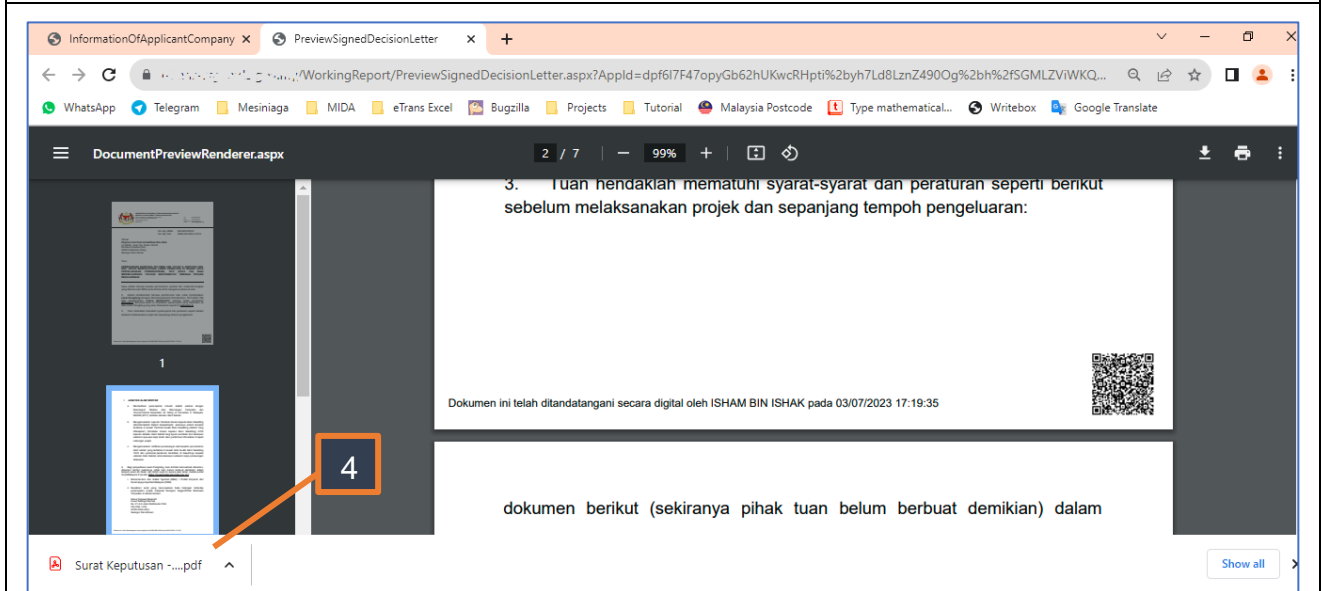

This screenshot is identical to the one above, but it includes a callout box labeled '1' pointing to the 'Decision Letter' button in the top right corner of the header section.

- From the Application Form header, click on the **[Decision Letter]** action button.

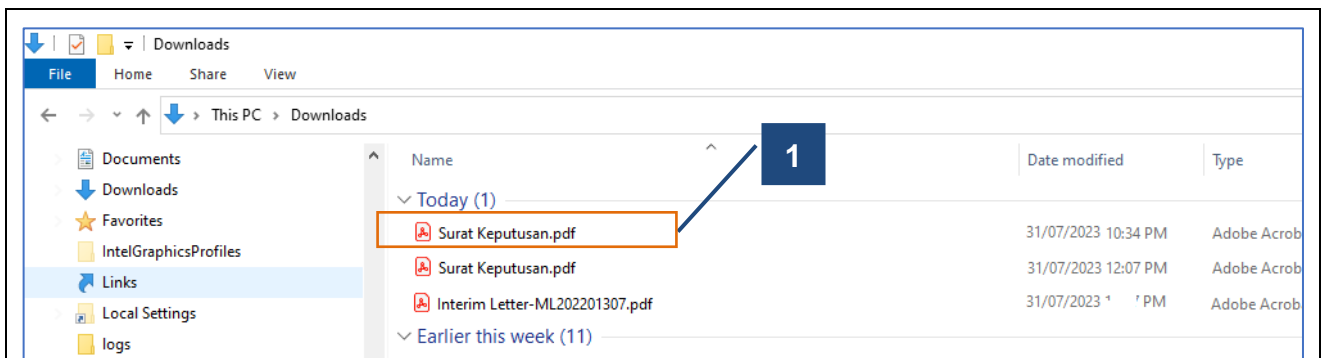

2. System will display the Decision Letter in a new browser tab.

3. Click on the **[Download]** icon to download the document to local folder.

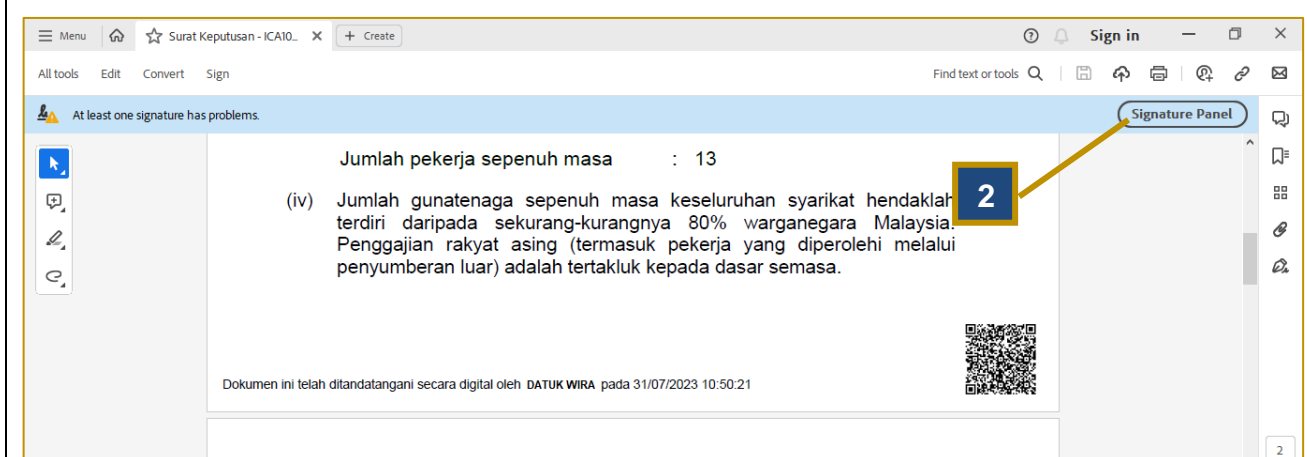

4. System will download the Decision Letter and save in PDF format.

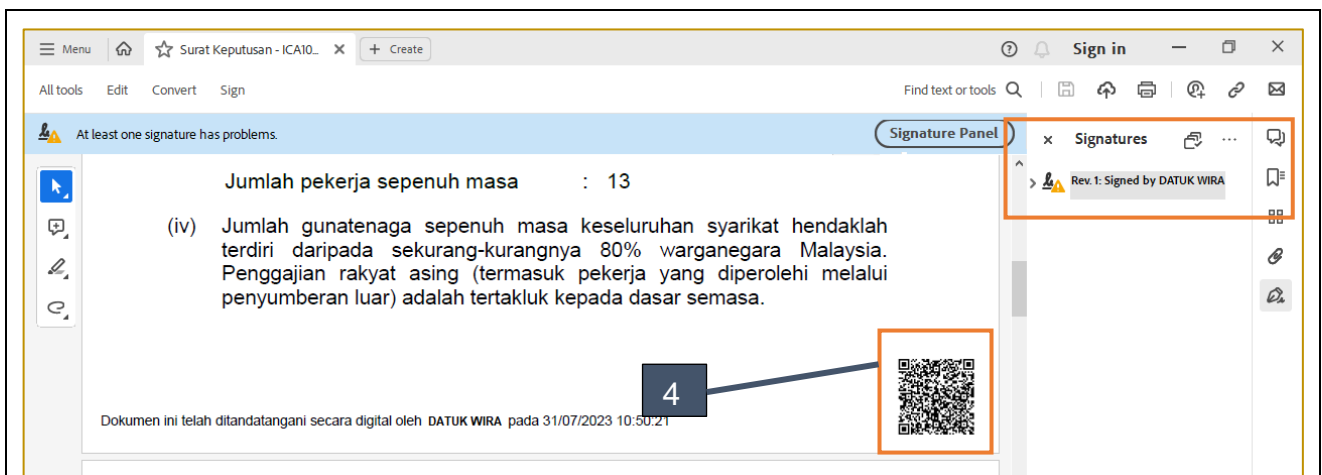

### 3.14.3 Verify QR Code

1. Once the Decision Letter is downloaded, navigate to the location of the document and launch the document.

2. System will display the selected document in PDF Reader application. At the top right of the document, user can click the **[Signature Panel]** to view the digital signature details.

3. System will display the name of the Officer who digitally signed the letter.
4. At the bottom of the first page, there is a QR Code that user can scan using a mobile application to validate the letter.
5. The QR Code embedded in the document **can only** be read by **eValidator** mobile application.
6. Please refer to the User Guide document “[Invest Malaysia] eValidator Mobile Application” (MIDA QR Code mobile application) on how to install the mobile application.
